## FOR YOU

There are moments when we want to give a little extra to those we care about and love.

# DOGS

The dog is that loyal friend who always stands by your side, ready to bring both comfort and joy. A glance, a wagging tail, or a gentle nudge with its nose says more than a thousand words, and it's as if they understand you deeply. A dog senses your emotions as if they were their own and is always there as your best friend.

# THE SEA COLLECTION

When Lena Qvick Ström was just a little girl her dad, Elis used to take her walking along the beach to collect seashells. These lovely moments have forever stayed in her mind. The Sea Collection is inspired by the wonders of the ocean. The glazing comes in different shades and the collection is handmade in stoneware, making every piece completely unique.

# SUMMER

Summer is the time of year when everything feels possible – the days get longer, the warmth arrives, and it's a time to socialize, laugh, and create memories that last.

## EASTER BUNNY WITH FRIENDS

During Easter, we decorate our homes with feathers, hens, and bunnies in a variety of bright colors. Our cheerful Easter Bunny, Pär is busy painting eggs for the big Easter party in the forest. All the forest animals are looking forward to searching for the colorful eggs that Pär has hidden in the most surprising places.

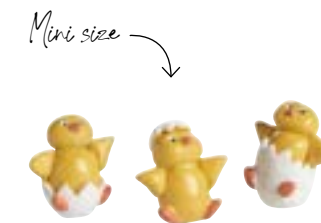

# CLUCKING HENS

Our charming, slightly round hens cluck and lay eggs as if it were the greatest achievement of their lives. The whole farm vibrates with their energy, and all the animals seem to be wondering if they should start laying eggs too. If you ask the hens themselves, they immediately respond in unison: Yes!

# GYLLENKROK

Allow us to introduce this tall, stately rooster with his striped socks, rocking body as well as his smaller and rounder friend with his striped, long neck. Together they are called the Gyllenkroks! WINTER

# LUCIA

On 13 December, when the Nordic winter is at its darkest, Lucia and her attendants march in with their lights and their singing. Lucia herself walks in first, wearing her crown of light, and she's followed by her maidens, star boys and – of course – Santa. The cutest Lucia processions are usually the ones involving little children with their crowns falling off, mischievous looks on their faces and shy giggling between verses.

# TOMTESSON

Santa Claus has a lot to do before Christmas Day! Along with the elves and his reindeers, they prepare the journey to distribute presents to all the children of the world. Tomtesson are all hand painted, which makes each product unique.

# CHRISTMAS PEACE

During the month of December, our homes are filled with light, warmth and the mix of scents that belong to Christmas. Our fine bowls are just as perfect for porridge as for Christmas treats or to bring the Christmas spirit with a hot cup of cocoa in our fine Santa mug. A simple way to create Christmas atmosphere.

## Important to us

### OUR RESPONSIBILITY – CORPORATE SOCIAL RESPONSIBILITY, CSR

At Nääsgrängården, we are constantly working to reduce our climate impact. We are humble before the fact that it is a never-ending job and that there is always room for improvement.

### PRODUCTION

Our products are made with suppliers that have been partners to Nääsgrängården for many years. Our aim is to visit every factory that make our products in order to assess the working environment and the protection of human rights. The majority of all our factories are members of Amfori BSCI or Sedex SMETA, two independent organizations that inspect and audit factories and producing entities. For more information visit, [ngg.se/en/](http://ngg.se/en/)

### PACKAGING

At Nääsgrängården we recycle all transport packaging and we are working on minimizing all virgin plastics in our packaging. Our aim is for all our paper packaging to either be from recycled sources or made from FSC-branded paper.
